

WHAT'S HAPPENING NOW

“More than Nets”

The CYM is leading a church wide mission's project during the month of February. It is called “More than Nets”. It's a comprehensive project of the Virginia and Ghana Baptist's. They distribute nets to the Yendi Villages in Ghana, Africa. Through this ministry they have the opportunity to share the love of God.

In the northern regions of Ghana, Malaria prevalence is over 90%. Malaria is a mosquito borne disease caused by a parasite. The nets help to stop the spread of Malaria. The nets protect the Yendi people while they sleep at night. They also have a chemical on them that helps to kill the mosquitos.

The nets are \$10.00 each, but \$10.00 covers so much more...\$6.00 goes toward the net, \$1.00 goes toward the transportation of the net from the capitol city to the Yendi Villages, \$2.00 provides health education through local nurses and public health workers and \$1.00 goes to assisting church planters with ministries in the villages, provides bibles and set of drums.

It is amazing to see what God is doing in the lives of the Yendi people through the Ghana and Virginia Baptist's. Our GPBC goal is to raise \$2,200.00 which provides nets for an entire village. Our CYM goal is to raise enough money to provide 6 nets, which averages out to \$1.50 per student. Please be in prayer for our church to meet our goal, for the Yendi people and the More than Net's project.

See the CYM presentation board in the narthex in February!
