

WHAT'S HAPPENING NOW

"CYM Spot Light"

The Youth Group just finished a series on Wednesday nights called "How to have the Best Year Ever". They learned that the Christian perspective is very different from how the world views having the best year. The bible study lessons were about Relationships – How you handle your relationships with family and friends will be a huge factor. God put these people in your life for a reason; Trusting God – If we give up when life gets rough we will miss out on a lot; Temptation – It will always pull you away from God's greater plan; Patience – It's not an easy thing. It's a learned discipline; Forgiveness – Not forgiving puts a wall up between us and God; See life through a long term lens – Seeing life as a collection of events that ultimately combine to create a legacy over a lifetime.

On Wednesday nights, Team Kid is currently working on a series of lessons called "Jumping the Hurdles". The material uses bible stories to teach kids how God wants them to react to everyday situations that they might encounter. Team Kid is open to ages 4 years- 5th grade and led by Seth Gandee.
