

**THE BUILDING AND GROUNDS COMMITTEE** recommends A.S.A.S. —HVAC Division to provide and install 2 GE PTAC wall units with new sleeves, thermostats, and grilles with 5 year parts and compressor warranty and 1 year labor—\$3,179.00.

**A SPECIAL THANK YOU** to all Sunday School classes and everyone that donated to the Thanksgiving Dinner boxes. Through your generosity, we will have 38 dinner boxes to distribute to families in our community this year for Thanksgiving. We appreciate the Youth and Youth leaders joining in to distribute these boxes on Saturday November 19th at our church. May God bless each of you. —One Harvest Food Ministry Team

**DEAR CHURCH FAMILY:** I want to thank everyone for the cards, prayers, and kind thoughts I've received since the passing of my grandmother. She lived a long and full life of 95 years. My family and I all know she is in a much better place and one day we will see her again! —Donna Phillips
