

**VACATION BIBLE SCHOOL** will be held July 10-14 for ages 4 through rising 6th grade. This year's theme is "Galactic Starveyers—Discovering the God of the Universe". Teachers are needed for both the kindergarten and 1st grade classes. Helpers are needed in other areas too. See Donna Phillips if you are interested and sign up in the Narthex.

**SPORTS CAMP WORKERS NEEDED** We still have opportunities to serve through Sports Camp which will be held June 19–23 6:00–8:30pm. We need help with advertising and distributing fliers to local businesses. We also have openings for: Group Leader (6&7 yr old), Craft, Soccer, Flag Football, and Coordinating Stations. See Paige Townsend if interested in serving.

**SPORTS CAMP MEETING** will be held June 4th following the morning worship service.

**SOCKS, SHOES AND UNDERWEAR NEEDED** The WMUV mission partnership with the Standing Rock Reservation began in 2009. Virginians continue to minister to Native Americans there. This July, GPBC will be sending a mission team to share the hope of Jesus with these precious people. Please help us show God's love by donating the items listed below. And, keep our team in prayer as well as all those we will serve.

- ⇒ New shoes for children and teens (athletic/tennis shoes)
- ⇒ Underwear for girls and boys (boys prefer boxers; girls love the ones with designs, not all white).
- ⇒ Socks for children and teens (preferably colored and no show, no white)
