

# One **CAN** make a Difference

**Gloucester County: Neighbors Helping Neighbors**

## ***Drop Off Locations:***

Several resources have closed. Please look in your pantry for something to share. Items collected will be shared with the community. Items needed: canned fruits and vegetables, peanut butter, cereals, and snacks. Essentials such as laundry detergent, toiletries, and paper products.

Please drop off your cans and other non perishables in the bins provided at your church building. Engage your friends, family, coworkers, or peers to help collect food and other essentials for our neighbors in need.
