Bible Verse: “The people met together at church.” Acts 2:46

Warm Up:

- Have your child build a church out of blocks or Legos.
- Once they are finished, ask them to tell you about their church. Note any particular parts they chose to include in their designs.
- Say, “Churches don’t all look the same. Some are very large, and some are small. Some are very old looking, while others are new and modern. Some churches don’t even meet in a church building, just like we are having to do right now during quarantine- they meet in homes, schools, a community building or even a movie theater! It doesn’t matter what a church looks like on the outside, as long as the inside is full of people who want to learn more about God.”

Bible Story:

- Our story is found in the Book of Acts. Tell them that is in the New Testament, ask them which section of the bible is the New Testament and which is the Old Testament.
- Read Acts 2
- Watch Video
- Discuss the Scripture and Video
