Noah's Ark

Genesis 6-9

There's going to be a flood.

Noah warned his neighbors about the flood but they didn't believe him.

God put a rainbow in the sky as a promise to never flood the whole earth again.

Animals of every kind came to the ark.

God told Noah to build an ark- a really big boat.
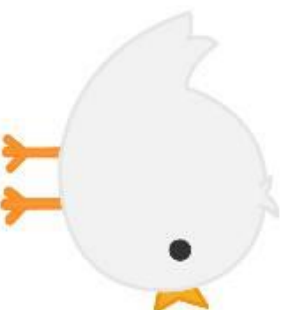

When the rain stopped Noah sent a dove to try to find dry land.

It rained for 40 days. Water covered the entire earth.
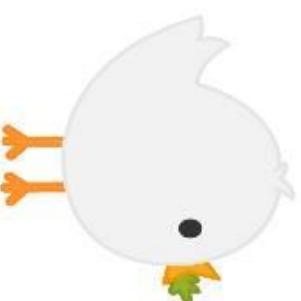

One day the dove came back with an olive branch and Noah knew the water had gone down.
