Dear GPBC Members and Friends,

We want to thank you for honoring us with such a wonderful retirement recognition. We know you put many hours into planning and organizing such a memorable day for us. From the moment we entered the church, our time of worship, and our fellowship together was very meaningful to us. We appreciate the special music, the heartfelt video and the laying on of hands.

You have shown us your love and care for thirteen and a half years, and you certainly shared your love with us on Sunday. We were amazed at the thirty – two decorated theme tables that showed the work we have all done together during our ministry.

We appreciate all the hours of work that went into planning the delicious lunch. The food was an example of the good meals we have shared together. It is amazing that you were able to cook and provide lunch for so many people. What a great way to see the blessing of our new fellowship hall extension.

We want to thank you for all the gifts we received. The personalized keepsake and the blanket are beautiful gifts that will be a wonderful reminder of our years of service with Gloucester Point Baptist Church. Thank you for the gifts, gifts of money and the gift cards we received. We can enjoy a "date night" for many weeks.

We both have always felt so much love from all of you, but we especially felt it on Sunday as you made this day so special. It has been a blessing to be a part of your lives and our ministry together. We will be praying for you as you search for the person God has planned to shepherd you in the future.

*Love and Prayers,
Bud and Donna*
