

QUARTERLY BUSINESS MEETING ITEMS

QUARTERLY BUSINESS MEETING

Our Quarterly Business Meeting will be on **Wednesday, October 26 at 6:30pm**. The following items will be addressed:

- 1) The Nominating Committee will discuss current committee vacancies and announce new Deacons.
 - 2) The Transportation Committee has reviewed options related to the church van and make the following recommendations:
 - a) After reviewing the current age, condition, repairs needed, value and safety concerns associated with the 2001 Ford Econoline XLT 350, the committee recommends that the church sell the van.
 - b) As has been past practice, the committee requests that remaining monies constituting the difference between annual receipts and expenses be credited toward the purchase of a new church van.
 - 3) The Pastor Search Team and Deacons recommend that our current Articles of Faith, adopted in 1959 when the church was chartered, be replaced by the more current Baptist Faith & Message 2000, with a few minor edits. Both the Articles of Faith and the Baptist Faith & Message 2000 originated from the Southern Baptist Convention but the newer version presents each section in a more modern and comprehensive way while the Articles of Faith was written in 1858. The Articles of Faith can be found on the church website. The Baptist Faith & Message 2000 can be found at <https://bfm.sbc.net/bfm2000/>
- Copies of the Baptist Faith & Message, with the minor edits highlighted, are available in the Narthex. This recommendation is made as a topic to be brought for a vote.
- 4) The Constitution Steward will present the revised draft of proposed changes to the Bylaws.
