DEAR CHURCH FAMILY. We are so grateful for the prayers you have given for us during this challenging time. Al read every card and message you sent and it brightened his day so much. We are thankful for the visits, calls, delicious meals and sweets that you brought. We are especially appreciative for L.T. Wells, Stuart Wood, Mike Crawford, Barry Mulligen, K.C. Sentz, Donnie and Jo Green, Keith Belvin and David Crummet for their time and dedication in building the ramp for easier access. Our church is a loving church and we are thankful to belong to GPBC. PBA VISION NIGHT 2023
SUNDAY APRIL 30TH
TEMPLE BAPTIST CHURCH
235 Harpersville Rd., Newport News
6:30 PM

Theme: *Getting to Know Our Neighbors Better*

Our purpose for Vision Night this year is to help your church to affirm or reaffirm the vision God has given you. We will do a brief exercise where we ask everyone who attends: *What is one way God could use you and your church to impact your community in the near future?* We will compile the results of this exercise and make it available to all of our churches. Our hope is that your church will continue the conversation which we will begin on that night.

Also on Vision Night, we will have the opportunity to vote two churches into active membership of the PBA and another church into “Watchcare” with us. Watchcare is for a church wishing to become part of the PBA to walk alongside of one of our existing churches for one year. If after that year the church still desires to join the PBA, we vote whether or not to bring them in.

The two churches we hope to vote in are FLOW Church and Kingdom Mission Church. Both of these churches came into watchcare with us at our last Vision Night. The church wanting to enter watchcare with us is a new church plant in the Buckroe area called Kingdom United Fellowship.

We will be led in music on Vision Night by the worship team of Temple Baptist Church under the leadership of Eden Blaylock. Chuck Harrison will present a message based on the theme for the meeting, and Jim Moynihan will interpret the exercise that we will all participate in.

As this is the first meeting in a few years without the immediate threat of COVID, we are hoping for a great attendance from our churches. We hope to see you there!
